# Book your blood test online

<https://10to8.com/book/chelwestbloodtest/>

**From 1<sup>st</sup> June 2021 you must book your blood test online**

We have gone live with an online booking system for blood tests to ensure safe social distancing in the department. Referrals from the GP will not be accepted as walk-ins and an appointment must be booked online. Please ask your GP if you require help with this.

Please bring a paper copy of your form with you

Appointments can be booked on the day up to 15mins before the appointment time
